What to Expect

There will be two sessions within the two hour time slot. The same presentation will be delivered at 1 PM and 2 PM, followed by 40 to 45 minutes of open discussion. During this time attendees will be able to ask questions to cyber security professionals. Attendees are free to come and go as they please. This is a casual event that will be educational for all levels of Internet knowledge.

Presentation Topics

Online Banking

Become aware of the risks that accompany online banking.

Email Phishing

Learn how to recognize phishing scams and other hoaxes designed to steal your identity.

Identity Theft

Learn about the various identity theft scams, and receive the *What To Do If Your Identity is Stolen* guide, provided by the Federal Trade Commission.
